SELECTMEN'S REPORT

The past year has been an interesting one in the offices of the Town. Thirty-thousand dollars was appropriated by the Town for work on the paved roads. This was used to resurface a section of the Gilsum Road, to seal the Hubbard Road and also to recycle a part of the Apple Hill Road. The work this year was contracted to Allstates Asphalt. This year it is hoped to rebuild more of the Gilsum Road and continue work on Apple Hill.

Last summer a new door was installed at the Town Hall and the back wall of the Selectmen's Office was finally insulated greatly helping the heating efficiency of the office.

David McKenna painted the Town buildings to correct problems there had been in the paint from the time they were painted for the bicentennial. This work was done for the cost of the paint. Our thanks to David and his crew for the fixing of this problem.

Although we would like to take credit for the lowering of the tax rate, the main factor was the increase in state foundation aid to the school. The same formula that left us on the short side last year worked more to our favor this year.

The Selectmen wish to thank all Town officials, volunteers and committee members for their labor on behalf of the Town. Their work is greatly appreciated.

Permits issued during the year were as follows:

Building	6 (1 temporary)
Junkyard	4
Pistol	11
Firearms, Sale of	1
Campground	1

POLICE DEPARTMENT REPORT

The Sullivan Police Department handled 142 calls in 1991. The majority of the calls were animal complaints, domestic disputes and accidents. Four accidents involved D.W.I.'s. The State Police handled three D.W.I. accidents and we handled the fourth.

Also in 1991 we had a new addition to the department. Sharon MJK Perkins. She is a real asset to the department.

In 1992 we will be issuing warnings for unlicensed dogs. Owners will be summoned to court if the dogs remain unlicensed one month from the warning date.

We also are going to start Patrol on a regular basis.

We appreciate all the help that the townspeople have given us throughout the year. We are always available to answer calls. We can be reached at 847-9728, 847-9031, 847-9944 or through Mutual Aid at 352-1100.

SULLIVAN CONSERVATION COMMISSION 1991 YEAR END REPORT

1991 was a fairly quiet year for the Sullivan Conservation Commission. Meeting once a month, we were able to deal with all of the minor activities that required of our participation in town affairs. Owing to the dedication and commitment of our members, we were able to sponsor one major recycling initiative that met with considerable success.

Between April 16 and May 24th, over 50 tons of scrap metal was received and hauled away from a dump station set up behind the Town Barn. Eight full dumpsters allowed residents to clear out old refrigerators, stoves, tin cans, bed frames, lawn mowers and even snowmobiles from residential resting places. While more than four times the estimated amount came in, we were able to fund nearly all of it through our \$1000 NH the Beautiful recycling grant received two years earlier, plus our budgetted recycling allotment for '91. Without question, Sullivan is a cleaner place on account of it. Again, many thanks to the commission, as well as the road crew who helped haul and load heavy items in the yard.

Other activities of note: our land conservation fund that was established to receive 30% of the land conservation tax saw its first installment. Owing to a "liquidation cut" on the Pinetum property on Centre St., the fund now has a total of \$5000 to be expended on future land conservation activities. The commission will be surveying undeveloped lands in Town this upcoming year to determine priority areas for conservation.

Along these lines, another attempt to protect the Ellis reservoir was initiated owing to its listing with several realtors in the region. Since the owners have been unwilling to negotiate easements with the Town, a fee purchase option was investigated with the Society for the Protection of N.H. Forests as well as the Nature Conservancy. Neither route proved viable, and the land is yet unprotected from development.

Several logging jobs in Town were reviewed by the commission, to insure both good logging practices as well as accurate filing of intents. Since there have been several violations in the past, closer inspection by both the commission and the Board of Selectmen will occur from now on out.

Other events: three educational workshops on municipal natural conservation issues were attended, two conservation hikes were offered, and two wetlands permits were checked during 1991. We have a new member, Jean Hoffman, who joined the commission in April and contact has been made with several towns in the Monadnock region to maintain an exchange of conservation information with our regional neighbors. The latter includes our participation in the Monadnock Group of Conservation Commissions, which meets on a semi-annual basis for this purpose.

A final news item that might be of interest to Town residents: 181 acres in Sullivan have been permanently protected from development as part of the 11,000 acre Andorra Forest easement secured by SPNHF during the summer. Mostly lying to the north of Sullivan in Stoddard, it includes a first ever 2508 - acre "natural area" that shall preserve a large roadless in perpetuity.

I hereby certify that the following is correct to the best of my knowledge and belief.

Lois G. Woodbury
Town Clerk - Sullivan, N.H.

ROAD AGENT'S REPORT

I have tried my best to keep the cost of purchases and expenses down. Before making any major purchase or paying for major repairs I generally made it a point to get at least two estimates.

I also changed the procedure for renting equipment. I felt that it was in the best interest of the taxpayers to keep the work done within the town as long as proof of insurance could be provided. I did have to hire outside on occasion for grading, excavation and welding.

We managed to get all the ditches pulled, York raking was completed at least once and most of the grading was completed. We cut brush, cleared intersections, put in or replaced several drain pipes, removed trees and put up guard rails and deflectors on Ferry Brook Road and Valley Road. Several street signs were replaced, road construction signs were made, a new road to the Town Barn was put in and fire extinguishers were put in all the equipment. In addition to this, numerous pot holes were filled, trap rock was placed in one ditch to prevent washout, stone and gravel was put in to relieve a mud situation and a couple of dirt roads were widened.

Gilsum Road was reclaimed and stone chip sealed 1750 feet. Hubbard Road was stone chip sealed and Apple Hill was reclaimed 1200 feet.

The grader was repaired and put to work and Roger Price was hired to run it. Charlie Toutant and Jimmy Fontaine were hired for part-time winter help.

All the equipment is running for the time being, but extensive repairs have been done on some. The grader now needs a motor job, the GMC desperately needs a new plow and the truck itself has had many repairs. The Army 5-ton is badly rusted and needs a new exhaust system. The Ford dump truck needs a plow and clutch. The loader needs a new windshield.

In spite of all the extensive repairs on the equipment, operation costs, materials, supplies and wages, I have stayed within my budget. I have worked with the Selectmen and attended almost all of their meetings. I have attended the budget meeting and proposed a 5-year projection plan and have tried to keep the taxpayers informed.

I have enjoyed my first year as Road Agent and am looking forward to re-election.

Sincerely,
Franklin Philbrick

SULLIVAN PLANNING BOARD REPORT

During 1991, The Planning Board was primarily involved in the writing of new proposals and regulations. With the help of the Southwest Regional Planning Commission, we drew up a set of regulations for gravel excavation. We drew up a set of procedural by-laws for the Board, strip maps of each road in town and a preliminary study for a capital improvement program (CIP). Finally, we drafted a proposal for a CIP and a proposed ordinance for cluster housing which were presented to the voters in March, 1992.

Work on the revisions of the master plan progressed very slowly because of the other items that needed attention. Thus, we were not able to complete the draft as planned, however, we have completed the information gathering phase.

A number of Board members attended the annual law lecture series. This year's topics included organization of a Planning Board and recently enacted legislation.

In spite of the depressed real estate market, we received a number of inquiries regarding subdivision procedures. Thus, while we had no formal proposals in 1991, we feel that 1992 may bring several subdivision requests.

The Board's main goal for 1992 will be to complete the master plan update. We will complete the final draft, conduct meetings with department heads and the Selectmen, hold public hearings for comments on the document and adopt the final product.

FIRE DEPARTMENT REPORT

Two members of our Department, Chief Philip Gladu, and the Captain of our Rescue Team, Pam Gladu, have resigned from the Department. Their help will be surely missed. The Department would like to thank Phil and Pam for their services and a job well done.

The following repairs were done to the pumper and fire station: Compartment floors on the pumper were repaired and painted along the sides of the pumper. Running lights were replaced and some wiring was done. In addition, the pumper's air brakes were fixed and batteries were replaced in both pumper and tanker. All trucks were serviced. A bathroom door was installed at the Fire Station and the overhead door was repaired.

Our thanks to Ron and Mary Hull for work done on the pumper, and to Tim Aho for work done inside the station.

The Sullivan Fire Department responded to the following calls in 1991:

- 2 House Fires
- 1 Car Fire
- 3 Chimney Fires
- 1 Chimney/Partition fire
- 3 Car Accidents

The Rescue Squad responded to:

- 1 House Fire
- 3 Motor Vehicle Accidents
- 5 Medical Emergencies
- 1 OHRV Accident
- 1 Car Accident

Respectfully Submitted,
Barbara Connor, Secretary
Sullivan Volunteer Fire Department

1991 LIBRARY REPORT

Statistics for 1991 are as follows:

★ New Library patrons.....	36
★ Total Registered Patrons.....	401
★ Number of adult books circulated.....	1,214
★ Number of juvenile books circulated.....	1,505
★ Total number of books circulated.....	2,719
★ Number of Inter-Library loan books.....	102

One of the highlights of 1991 was the Library's Annual Vacation Reading Program in which 21 Sullivan children participated. The theme was the **Middle Ages** -- especially knights and castles. Throughout the summer there were crossword puzzles, word searches and follow-the-number pictures to take home, and a Knights of the Ring scavenger hunt. There was a castle-building contest, and they were all so good that everyone was declared winner. During the party at the end of the summer, the participants decorated crowns for themselves with glitter and "gems".

The Friends of the Library were busy. In April they sponsored an Easter party complete with an Easter Bonnet contest for about 30 adults and children. A video of Peter Rabbit was shown and Easter baskets were made. In September, they began their fund-raising for painting the interior of the Library with a "Centennial" -- the goal was a mile of pennies. At this point, they are about half way. In November they held the annual Christmas Bazaar and in December they sponsored Santa Claus's visit to the Community Hall for the annual children's holiday shop.

Sarah Lucy took over as Head Librarian in September. She is the Librarian at Jonathan Daniels School in Keene and has a Masters degree in Library Science. Diane Henry has stayed on as Assistant Librarian.

Besides being the source of books and information for the town, the Library is used as the meeting place for the Planning Board, the Conservation Committee, the Supervisors of the Checklist for voter registration and the Health Department for Blood Pressure Clinics.

Next summer the Library will celebrate its centennial. Plans are now being made for this special event.
